

THE ART OF ATTACK

TWO WAYS TO ATTACK. ONE PHILOSOPHY.

HANNIBAL

ATTACK THROUGH PHYSICALITY

- > FIND SPACE.
- > MAKE SPACE.
- > GET INTO THE CIRCLE.
- > CONSTANT PRESSURE.
- > BALANCED HOMEBASE.
- > QUICK SCORES.

THE DECISION

Every moment demands the right kind of attack.

FABIUS

ATTACK THROUGH PATIENCE

- > PROTECTION PLAN.
- > ATTACK-SPACE AWAY.
- > DIFFERENT SPACE.
- > DELAYED SCORES.
- > TIMING.
- > ATTACK ANOTHER DAY.

Hannibal won with relentless attacks.

Fabius won with relentless patience.

TOGETHER WE ATTACK.

HANNIBAL'S
CROSSING

SOMETIMES THROUGH FORCE.

We physically will get to our destination early.

SOMETIMES THROUGH PATIENCE.

We mentally will stay in possession for as long as it takes to get to our destination.

GREAT TEAMS DON'T ATTACK ONE WAY.
THEY RECOGNIZE WHICH ATTACK THE MOMENT REQUIRES.
